

# Global Heart Congress

September 13 – 15, 2021, Paris, France

Theme : Untouched Realms on cardiology -technology innovations that haven't touched human's yet-let's share in our event on International Heart Congress

## ABOUT GLOBAL HEART CONGRESS

Pride Conferences takes great pride in organising and inviting all the global delegates, to participate and contribute effectively to all the conferences organised by us. These conferences would comprise of Eminent stake holders keynote presentations, elaborative scientific research detailing, years of research works with the roadmap, Q & A, exhibitions of research papers and more. Key Stake holders include researchers, practitioners, students, professors, business communities & lot more. We create an ecosystem that enables the research works to be presented to right audience to take the Innovations ahead for a better society.

This International Heart Congress would focus on the Advances in Cardiology, sharing highlights of international experts regarding the underlying mechanisms of cardiovascular risk, pathophysiology of heart and associate disorders. The event would bring forth the current research and innovative methods emerging in the field of cardiology. The event would be full of knowledge sharing, impact on the patients, practitioners' choices, road map ahead and more.
